

March was an exciting month! Our classrooms got in the spirit during our Dr. Seuss week in which they got to dress up, create special crafts and participate in fun activities! For St. Patty's Day we wore green and had lots of fun with rainbows!

In the weeks to come, we will be learning about weather. We will be having fun with farms, bugs and superheroes! We will also be learning about Earth Day!

We will also be celebrating our teachers with **Teacher Appreciation Week** at the end of the month! We are so thankful for all they do and the love they have for your kiddos. Have a great month.
