MARCH

We are all excited to welcome Spring as we begin the month of March! There's nothing like being outside enjoying the beautiful sunny days. The children enjoyed another busy month celebrating Valentine's Day and those we love. We learned about the importance of Dental Health. As we move into the month of March, We will celebrate Dr. Seuss's Birthday with a spirit week of dress up days. We will also learn about music and instruments. We will celebrate St. Patrick's Day leading up to March 17. It looks like it will be another busy but exciting month!

Please let us know your plans for the summer and fall as we are getting many inquiries about availability.

Pre-K Parents: If you have not done so already, please let us know if your child will need before and after school for the fall 2024 school year.
