

# March

We are so excited to welcome Spring as we begin the month of March! February gave us a little taste of warmer weather, and we loved soaking up those sunny days. The children had a wonderful time celebrating Valentine's Day and sharing kindness with those they love.

March is shaping up to be another fun and busy month. We'll be celebrating Dr. Seuss's birthday with a special Spirit Week filled with exciting dress up days. Throughout the month, we'll also explore themes like Builders in Training, Lucky Little Leprechauns, and Barnyard Adventures.

On March 17th, we'll celebrate St. Patrick's Day— **don't forget to wear green!** We'll also begin preparing for Easter as we head further into spring. It's going to be another exciting month full of learning and fun!
